

celeb-worthy **SWAG**

All the loot we're totally obsessing over right now!

FLAVORFUL SENSATION

There is a lot to love about Health-Ade's Passion Fruit-Tangerine kombucha. While gut-friendly probiotics leave imbibers of the bubbly drink feeling great, succulent and tangy cold-pressed organic ingredients combine for a delicious tropical taste. Subscribe to save 10 percent on a tea-rrific 12-pack. health-ade.com

SELF-CARE STANDOUT

Find balance and harmony while celebrating Dr. Jane Goodall's remarkable passion and work with Forest Remedies' Wonders of Africa essential oil collection. Five percent of sales from the \$99 sustainably sourced set – which includes citronella, ginger, frankincense and ylang ylang – go to support the Jane Goodall Institute. forestremedies.com

TOO-CUTE COMFORT

MISSION Kid's Fever Relief Cooling Towel gives suffering little ones a reason to smile again. Available in three adorable iterations, the must-have boasts chemical-free cooling tech that lasts for hours to relieve discomfort associated with a high temperature. Bonus: It's easy to activate. Simply wet with water, wring out and snap. mission.com

A PERFECTLY PLAYFUL MATCH

This is not your grandmother's twinset! The Jenny Walton for Ply-Knits capsule collection is comprised of coordinated knit bralettes (\$180) and cropped cardigans (\$280). Sustainably made in five hues, including Super-Black, the modern-day pieces feature nostalgic scallop detailing as well as adjustable ties. ply-knits.com

LUSCIOUS LOCKS

Ready, set, indulge! VO5 Island Coconut Moisturizing Shampoo & Conditioner blends the brand's signature Power of 5 vitamins and oils formula with natural coconut milk to leave strands soft, shiny and smelling like an island vacation. walgreens.com
